

Access Collibra

1. Please go to the UNCG Collibra in your browser (<https://uncg.collibra.com/>).
2. You will be asked to login with your UNCG credentials using Single Sign-On (SSO). *Do not create an account.*
3. You will arrive to a home page showing default dashboard which contains basic statistics and reports.
4. You may access various tools such as Browse Communities, Search, and may go to other dashboards using tabs.

5. Click on a small UNCG logo on the top left to return to a default dashboard.

Note: You may be logged out of Collibra after about 30 min of inactivity. Please sign in again if you want to continue working in Collibra.
